

**Bulimia Anorexia Nervosa
Association - Can-Am**

Financial Statements

March 31, 2024

Independent Auditor's Report

To: Board of Directors of
Bulimia Anorexia Nervosa Association - Can-Am

Qualified Opinion

In our opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Bulimia Anorexia Nervosa Association - Can-Am (the Association) as at March 31, 2024, and the results of its operations and cash flows for the year then ended, in accordance with basis of accounting described in Note 2.

Basis for Qualified Opinion

In common with many charitable organizations, the Association derives revenues from donations and other fund raising activities, the completeness of which is not susceptible to conclusive audit verification. These revenues could only be verified from the time they were deposited and entered into the Association's records. Accordingly, we were unable to determine whether any adjustments for unrecorded revenues might be necessary to donation revenue, fundraising revenue, excess of revenue over expenses and fund balances.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of Accounting and Restriction on Use

Without modifying our opinion, we draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements of Bulimia Anorexia Nervosa Association - Can-Am are prepared for the purpose of providing information to the Ontario Health (OH) and Ministry of Health (MOH). As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Association and the OH and MOH and should not be distributed to or used by parties other than the OH and MOH.

Report on the Financial Statements

We have audited the accompanying financial statements of the Association, which comprise the statement of financial position as at March 31, 2024, the statements of general fund operations and fund balance, capital reserve fund operations and fund balance and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with the basis of accounting described in Note 2, for determining that the described framework is acceptable in the circumstances, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures are inadequate, to modify our opinion. Our conclusions are based on audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal that we identify during our audit.

See accompanying Notes to the Financial Statements

Bulimia Anorexia Nervosa Association - Can-Am

Notes to the Financial Statements

March 31, 2024

1. Purpose of Association

The Association was incorporated without share capital under the Corporations Act by Letters Patent dated October 22, 1985.

The purpose of the Association is to provide specialized treatment, education and support services for individuals affected directly or indirectly by eating disorders.

The Association is a not for profit entity which qualifies as a charitable organization and as such is not subject to income taxes under Section 149(l)(d) of the Income Tax Act.

2. Summary of significant accounting policies

Basis of presentation

These financial statements have been prepared in accordance with the reporting requirements of the Association's principal funders unless otherwise stated these reporting requirements are consistent with the requirements of Canadian Accounting Standards for Not-for-Profit Organizations.

The financial statements are prepared on the going concern basis which contemplates the realization of assets and the settlement of liabilities in the normal course of operation.

Fund Accounting Method

The Association maintains separate funds to allow it to monitor and report separately different aspects of its operations, or to segregate certain categories of net assets which must be separately maintained as required by the Centre's funders. The funds maintained by the Centre and their purposes, are as follows:

The general fund reflects the day-to-day revenues and expenditures of the Association and is comprised of various programs provided by grant revenue as well as revenue received from donations and fundraising and expenses related to the operations and administration of the program.

The capital reserve fund has been allocated for community outreach and improving front line services. There has been no activity in this fund for the years 2023 or 2024. The balance remains at \$71,889.

Bulimia Anorexia Nervosa Association - Can-Am

Notes to the Financial Statements

March 31, 2024

2. Summary of significant accounting policies (continued)

Capital assets

Furniture and equipment, computer equipment and leasehold improvements are stated at cost on the capital fund and are recorded as expenses of the operating fund in the year acquired. Amortization is not recognized in the financial statements. Amortization has not been reported in the statement of General Fund Operations and Fund Balance because it is not funded by Ontario Health and Ministry of Health.

Had amortization been taken on the capital assets the book value of the capital assets as at March 31, 2024 as shown on the statement of financial position would have been decreased by \$144,998 (2023 - \$144,917) and the equity in capital assets would have decreased by \$144,998 (2023 - \$144,917).

Revenue Recognition

The Association follows the deferral method of accounting for contributions of grants and donations. Grants received or receivable in excess of costs incurred are reported as deferred revenue. Grants approved but not received at the end of an accounting year are accrued. Where a portion of the grant relates to a future period, it is deferred and recognized in that subsequent period.

Unrestricted contributions are recognized as revenue in the general fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions are recognized as revenue in the year in which the related expenses are recognized. Contributions restricted for the purchase of capital assets are deferred and amortized on the same basis as the related capital assets are amortized.

Donations and revenue from fund raising are recognized as received and are presented at the gross amount with the associated costs shown separately.

Contributed Services

A number of volunteers contribute their time and other resources each year. There is significant measurement uncertainty associated with determining the fair value of the time and other resources, therefore contributed services/resources are not recognized in these financial statements. There was no remuneration paid to Directors or Officers during the year.

Bulimia Anorexia Nervosa Association - Can-Am

Notes to the Financial Statements

March 31, 2024

2. Summary of significant accounting policies (continued)

Measurement uncertainty

The preparation of financial statements requires the Association's management to make estimates and assumptions that affect the reported value of assets and liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual amounts could differ from those estimates.

Financial instruments classification

The Association recognizes all financial instruments at fair value when they are acquired or become an obligation of the Centre. Subsequent to that date, they are measured at amortized cost.

3. Deferred revenue

Deferred revenue consists of:

	2024	2023
Legal, advocacy and computer committee	\$ -	\$ 3,468
Medical consulting fees/services	4,250	4,250
YQG Togetherfest	8,934	-
Lottery funds	29,676	27,958
Staff resources	9,000	9,000
Staff development	14,300	14,300
Children's Fest	26,492	26,492
Magazine	4,774	4,774
University of Windsor Student Alliance	1,000	1,000
OCOPED (note 4)	101,429	62,957
	<u>\$ 199,855</u>	<u>\$ 154,199</u>

Legal, Advocacy and Computers Committee

Funds allocated by the Board of Directors in prior years for specific programming. There were no funds expended from the Advocacy Committee.

Medical consulting fees/services

Funds allocated by the Board of Directors from the Capital Reserve fund in prior years to be used for additional consulting fees/services. No funds were used during the current year.

Bulimia Anorexia Nervosa Association - Can-Am

Notes to the Financial Statements

March 31, 2024

3. Deferred revenue (continued)

Lottery funds

The Association began conducting bingo lottery sessions in October 2018 with the proceeds to be used towards in-school and community health education workshops that offer educational information and resources on topics of body image, self-esteem, body based harassment and media awareness for youth from junior kindergarten to post secondary levels and maintain the web resource Positiveinfluencer.ca. During the year ended March 31, 2024 proceeds of \$23,032 (2023 - \$18,720) were received and expenses of \$23,032 (2023 - \$12,969) were incurred leaving deferred revenues of \$29,677 (2023 - \$27,958) to be used in future years.

Staff resources

Funds in the amount of \$9,000 of donations and other revenue received in a prior year were deferred to fund staff resources in a future year.

Staff development

Funds in the amount of \$14,300 advanced in prior years to be used for staff development in the next year. In March 31, 2024,

Children's Fest

Excess funds in the amount of \$26,491 from the activity guide printed and distributed at Children's Fest held in September of 2023 to be used as start up funds for the next year.

Magazine

Excess funds in the amount of \$4,774 for printing a magazine to be used in future years or for extraordinary expenses.

University of Windsor - Dr. R. Moriarty

Funds in the amount of \$1,000 advanced in prior years to assist with research to be determined by the Board of Directors were used to provide yoga classes to clients.

4. Grant revenue

Ontario Community Outreach Program for Eating Disorders (OCOPED)

Funding in the amount of \$101,429 (2023 - \$62,957) was provided through OCOPED as part of the Eating Disorder-Promotion Prevention, Early Intervention strategic planning model led by Dr. Gail McVey at the Ontario Community Outreach Program for Eating Disorders, University of Health Network. The 2023 instalment has been deferred (note 3).

Additional funding in the amount of \$267,218 (2023 - \$110,740) was received to fund a two year term, ending December 2023, to hire a temporary full time Eating Disorders Prevention Specialist.

Bulimia Anorexia Nervosa Association - Can-Am

Notes to the Financial Statements

March 31, 2024

4. Grant revenue (continued)

Windsor Regional Hospital Program for Eating Disorders Intensive Outpatient Program (ED - IOP)

The Association along with Windsor Essex Community Health Centre, under the lead agency, Windsor Regional Hospital, ran the operation of an Eating Disorders Intensive Outpatient Program (ED IOP) effective April 1, 2023 until March 31, 2024. The Association's share of the funding was \$650,677.

5. Commitment

The Association has entered into a lease agreement for office and treatment space effective March 1, 2023 for a five year term ended February 29, 2028. Rent during the first year shall be at the monthly rate of \$6,555 plus HST. Rental rates for each of the subsequent years will be agreed upon by the landlord and the tenant acting reasonably and having reference to increase in property taxes, utility costs, insurance premiums, property management and repairs and maintenance expense affecting the premises. This lease can be renewed for a further 5 year term and can be terminated by the tenant at any point after March 1, 2026 upon giving 6 months advanced notice.

6. Financial instruments

The Association's financial instruments consist of cash, term deposits and accounts receivable and payable. The fair value of these financial instruments approximate their carrying values, unless otherwise noted.

Consistent with earlier years, management does not believe that the Association has any material exposure to credit risk, or to changes in market prices, interest rates or exchange rates

7. Economic dependence

A significant portion of revenue is granted from the Ontario Health which provides funding for the Community Health Program in the amount of \$504,629 (2023 - \$480,528) annually for salaries and other operating costs and the Ministry of Health provides funding for the Institutional Health Program in the amount of \$280,992 (2023 - \$280,992) annually for salaries and operating costs. The ability of the programs to operate as a going concern is dependent on this continued support in the form of ongoing funding.
